

# MARSH LANDING MARLINS

SUMMER SWIM TEAM  
2018

**MEET AND GREET WITH THE COACHES ON  
FRIDAY, APRIL 20<sup>TH</sup> FROM 5:00PM – 6:00PM AT THE POOL!!**

Dear Marlins Swimmers and Parents,

My name is Alex Bauer and will be joining this 2018 summer season as the Head Coach for the Marlins. I am very excited to be joining the Marsh Landing family this year and am looking forward to meeting everyone!

I am a recent graduate of Albright College where I received my B.A in history and masters in secondary education. My swimming history goes way back to when I started swimming competitively at the age of four. During my years attending Albright College I swam collegiately competing mostly in the sprint freestyle and butterfly events. My swim history is not just as a competitor, but also as a coach. I was a grad assistant coach at Albright College during my final year of classes working with both the men and woman's teams creating and running practices. As well as overseeing the weight lifting workouts. I was also the assistant head coach for multiple years at a summer swim team very similar to that of Marsh Landing. We were called the Topton Torpedoes and had over 100 kids on our team ranging from just four years old all the way to 18.

I hope that through my knowledge, experience, and love of the sport, that it will not only be a season of great improvement, but a season of great fun. I am ready and excited to start the 2018 swim season, and I think that all of you should be too! Swimmers, I know that I am new, but please do not hesitate to ask me anything about your swimming. Parents you are a very important aspect to a successful season. I hope there are plenty of excited parents to volunteer and help at meets. I am always available for any questions or concerns you may have as well, so feel free to ask. I cannot wait to meet everyone and to get ready for an awesome season.

Sincerely,

Alex Bauer
